

Access to pdf of journals/papers without subscription

1. use the link...

<http://rzblx1.uni-regensburg.de/ezeit/search.phtml?bibid=UBHE&colors=3&lang=en>

(if it opens in German, choose for English)

2. Type the name of journal in the box on the left (below quick search) and press "search".
3. It takes you to next page which says, whether the journal is available or not; if available, free access or not.
4. A **green dot** indicates free access, **yellow dot** is for students and profs (where you need user name and password) and a **red dot** indicates no access
5. Click on the journal of your interest, which takes you to a new page.
6. Sometimes, a security alert might pop out (optional). If it comes, choose the option "continue to website".
7. In the new page, you need to type the **Benutzernummer (user name)** and **Kennwort (password)**
8. My **user name** is **288283** and **password** is **HIVNEF** (password is in CAPS lock)
9. Once accepted, you can start downloading the pdf of papers.
10. Kindly get back to me for trouble shooting or assistance.

“Requesting all not to misuse the ID and password”
